

FOR THE BIRDS

**Heritage Glen Homeowners' Association Newsletter
September 2008**

ANNUAL GET-TOGETHER

Please join us for our second annual Heritage Fest which will take place on Saturday, September 27, 2008, from 12:30 p.m. to 2:30 p.m. at 331 Bluebird Lane. Thanks again to Karl and Sharon Bozicevich for allowing us to use the common area around their home for the event. Remember that all picnic-style food will be provided for you - all you need to do is bring a beverage, a chair (if desired) and show up!

ELECTION SIGNS

With the election season upon us, remember that our Heritage Glen By-laws (Section 7.6) state that no lawn signs of any kind may be displayed in public view on any unit, except for one sign advertising the sale of the property.

ANNUAL MEETING

The Heritage Glen Homeowners' Association Annual Meeting will take place at Central Park at 7:00 p.m. on October 7, 2008. You will receive a mailing from Personal Touch with more information.

POLLING PLACE CHANGE

In early August registered voters received a postcard indicating our polling place is now City Hall at 8301 Valley Creek Road. Our precinct is P-02. Voting precinct questions may be directed to (651) 714-3500 (City Hall) during regular business hours.

The primary election is September 9; the general election is November 4.

ROUNABOUT IS OPEN

If you haven't yet been through the Radio Drive/Bailey Road Roundabout, following are some simple steps to navigate it safely:

- Slow down as you approach
- Think ahead and choose the correct lane for your destination.
- To turn right or go straight, stay in the right lane.
- To turn left, get into the left lane.
- Do not change lanes once you enter the roundabout
- Do not pass bicyclists.
- Yield to vehicles already in the roundabout.

There have been numerous minor accidents due to inattentive driving.

TRASH COLLECTION

The trash and recycling collection during Thanksgiving week will take place on Friday, November 28. When in doubt, check maroneysinc.com for the holiday schedule.

CELL PHONE RECYCLING

The average cell phone life span is 18 months, and they are discarded at an alarming rate. Woodbury Parks and Recreation is partnering with Cellular Recycler and the National Council on Aging to keep them out of the trash. Used cell phones can be dropped off in the collection boxes at Woodbury City Hall, 8301 Valley Creek Road and at the information desk inside Central Park, 8505 Central Park Place. They are either recycled or refurbished; during refurbishing the memory is wiped out to allow for reprogramming.

In addition, we've received plastic envelopes in the mail from a cell phone recycling center in Denver that will provide them to soldiers to help our troops call home. Visit www.cellphonesforsoldiers.com for more information. Cell phones are accepted in any condition.

WELCOME

Welcome to new homeowners Jim and Elsi Stanley on Blue Heron Lane.

With several homes for sale in our development, we anticipate more new residents in the future.

KITCHEN HINTS

- Stuff a miniature marshmallow into the bottom of an ice cream cone to prevent drips.
- To keep potatoes from budding, place an apple into the bag with the potatoes.
- Wrap celery in aluminum foil when putting it into the refrigerator - it will keep fresh for weeks. This really works!
- Don't throw out leftover wine. Freeze it into ice cubes for future use in casseroles and sauces.
